ADIHEX FEATURES & ACTIVITIES 2022

Schools Visit Progamme

In addition to the large numbers of attendees in hunting, equestrian and cultural heritage sectors that ADIHEX attracts annually. This event has succeeded in attracting children and their families as well. As it offers a varied array of features and educational activities and entertainment.

ADIHEX 2022 creates a scholastic opportunity for students of different age groups to learn the foundation of Emirati heritage, falconry and falcon breeding, Arabian Saluki and bustards held in captivity. Moreover, students get to witness live arena presentations of equestrian performances, K-9 dogs, birds of prey and traditional archery.

In this edition, we are welcoming more teachers and students who will participate in the exhibition's educational and entertaining activities aimed at promoting a culture of sustainability, creativity, excellence.

Students Programme

Supporting the further development of the generations, ADIHEX has invited schools and academics to host their student cultural talent performance at the show, showcase their innovative school projects and attend workshops to develop their knowledge and skills.

Share your talents , join the ADIHEX community talent.

ADIHEX Inclusion Community

As part of ADIHEX initiatives, we collaborated AWPOD and Zayed Higher Organization to offer activities for people of determination. Many activities are proposed by our partners.

The Inclusion Community meet-up place is a great opportunity for their families to meet with the right organization and community support groups.

Assisted and inclusive activities are offered to people with determination who are attending the event. The Meet Up Area offers the right platform for families to meet organizations and community groups providing valuable services to the inclusion community.
